Vista links golf course

100 View Links Drive, Buena Vista, Virginia, 24416 View as map Write a review Holes 18 Par 72 Length 6855 yards The city of Buena Vista has recently completed construction on a new 18-hole, par-72 golf course that took almost 5 years. For this to take place, a number of obstacles had to be removed, including land acquisitions, engineering, planning services and more. This course is part of the Buena Vista Park and Recreation Master Plan. The course will integrate seamlessly into a fully functional and more expanded Glen Maury Park, and we look forward to providing everyone with a rich and satisfying recreational destination. More... Rick Jacobson's design is really excellent, although these days, it's hard to say, given the weed fairways, horrendous tee boxes and decent but reducing greens. At its best, the course was an exciting walk, with firm streets and one of the best sets of par fives anywhere. Now, years of suspicious management and a waning demand for golf have left him on life support. I hope he gets back to his peak, but that could be a wish. Still, if you're in the area and don't care about the scruffy conditions, you'll enjoy Vista Links. We are the most inclusive golf community with over 450,000 happy members. This was a beautiful lead when it opened. It's a shame how bad it is now. The greens were EXCELLENT. Grass too long in T-shirt boxes. Fairways are uneven and knobby create horrible lies. crab grass in the streets, or what looks like streets. your courses on Page 2 17509 with difficulties 1069059 reviews Average services outside the course Average value for the average money of staff kindness Average Course conditions New cookie policy we and our partners use cookies in site to improve our service, perform analytics, personalized advertising, measure, and remember website preferences.
